Foreclosures: Making The Deal Work:

Sen M. Warshawski, Barrister & Solicitor

Sean is a born and raised Edmontonian and has worked as a real estate lawyer for many years. In 2010, he expanded his practice into foreclosures and debt recovery and is an expert in the field. We're lucky to have him here to tell us the inside scoop on how foreclosures work. He's also going to dispel some of the misconceptions people have about foreclosures. If you've ever wondered about foreclosure deals, this presentation is a must! Sean is married and has 2 young sons, who, along with his dog, an energetic pointer, keep him very busy. However, he still takes time to serve his community as Vice-President and Board Member of the St. Albert Community Village and Food Bank and as a member of the Canadian Progress Club, a service club dedicated to improving the lives of Canadians.
