Keynote Presentation: Chad MacKenzie - MacKenzie Insurance Group

Chad MacKenzie is an insurance and financial advisor with just over 10 years in the industry. He owns MacKenzie Insurance Group Inc. which is a Co-operators office in Southwest Edmonton (Windermere). Chad and his team work closely with property investors to understand not only the risks they face but also the risk management options they have available whether that be insurance on commercial or residential buildings or life and critical illness insurance. He was one of the youngest Advisors to own an agency with The Co-operators and was featured as one of the top Brokers in Canada for 2015 by Insurance Business Magazine.

He will be covering:

- What's the difference between creditor life insurance vs. life insurance from awn insurance company?
- Did you know taxation changes are coming to certain life insurance policies January 1, 2017?
- Tenant and Landlord Insurance. What do you really need?
- How to reduce your premium but keep adequate coverage.
- Deal breakers. When purchasing an older home what's favorable to the insurance company?
